EDUCATION

**Bachelor of Science in Industrial Engineering and Operations Analytics,
University of Arkansas, GPA: 3.8, Anticipated May 2029**

TECHNICAL SKILLS

Programming: Python, Java, R

Data Analysis: Microsoft Excel (Pivot Tables, Solver, Data Analysis ToolPak)

Tools & Platforms: Git/GitHub, Microsoft Office Suite (Teams, Copilot)

ENGINEERING PROJECT EXPERIENCE

Balsa Wood Tower Structural Design Project — University of Arkansas

- Designed and constructed load-bearing structural tower using engineering design process
- Utilized Excel to analyze buckling load versus member length relationships
- Evaluated structural performance based on strength to weight efficiency
- Collaborated in a team environment to optimize design under material constraints

Water Filtration System Design Project — University of Arkansas

- Developed prototype water filtration system using cost and material constraints
- Analyzed performance of filter media based on clarity and flow rate
- Created technical design poster outlining system effectiveness
- Applied iterative design process to improve filtration efficiency

RELEVANT EXPERIENCE

Camp Counselor — Camp Sequoyah Day Camp, Fayetteville, AR | June 2022 – Present

- Supervise and ensure safety of 20–30 campers daily in a fast-paced environment
- Manage daily schedules and coordinate structured recreational activities
- Make real time decisions to resolve behavioral and logistical challenges
- Communicate directly with parents regarding camper wellbeing and progress
- Maintain accountability for camper safety during outdoor activities

Sophomore Representative — Institute of Industrial & Systems Engineers | April 2026 – Present

- Plan and execute department events and gatherings to increase student involvement
- Drive IISE awareness among sophomore engineering students through GroupMe outreach and in-class announcements

Vice President — Fayetteville High School Coding Club | 2022 – 2024

- Co-led a 30-member club, organizing weekly meetings and mock coding competitions
- Represented the school in regional programming contests, applying technical problem-solving

Member — Varsity Cross Country & Track, Fayetteville High School | 2020 – 2024

Member — University of Arkansas Fly Fishing Club | 2025 - Present
